

**\$10 and Under Table
Guidelines for Submitting Items**

1. Make 4-6 of each item you choose.
2. Bring your items to any guild meeting. Someone from the committee should be at all meetings until the quilt show.
3. Get a form for your donation. Information on the form includes name of the items, price, whether you want the items returned to you if they don't sell, and whether the price can be reduced on the sale day.
4. Please submit items prior to the first day of the show, so they can be tagged and priced and added to the inventory.
